Water Service Rates & Billing Information

Effective September 1st, 2024

Monthly Rates

- **Monthly Meter Fee:** \$20.00
- **Water Usage Fee:** \$5.50 per unit (*1 unit = 100 cubic feet*)

Non-Recurring Charges

- **Late Fee:** 10%
- **Service Charge:** \$50.00
- **Reconnect Fee:** \$50.00
- **New Service Deposit:** \$80.00

Starting Service

A new service deposit is required to initiate service. The deposit will be refunded upon termination, provided the account is in good standing with no outstanding balance. Customers will be provided with a deposit book to record monthly water usage and submit payments. A rate slip will also be provided that can be used to calculate the amount owed based on usage.

Meter Reading and Payment

Customers are responsible for reading their water meters on the 1st day of each month. A deposit slip must be completed, including customer information, current and previous meter readings, water usage and payment amount. Payments, along with the completed deposit slip, should be submitted to Great Southern Bank in Iola.

Payment Terms

A monthly meter fee is charged regardless of water usage in addition to water usage fees that are based on consumption. Payment is due by the 20th of each month. Any balance not received by this date will incur a late fee. If payment cannot be made before the end of the month, please contact the district in advance to make arrangements. Payments are only processed during normal banking hours during the week, excluding federal holidays. Payments submitted after-hours will be processed on the following business day.

Past-Due Accounts and Disconnection

Accounts with unpaid balances after the end of the month will be considered past due, subject to a service charge and provided a notice with a final payment deadline. If the outstanding balance is not resolved by the specified date, water service may be disconnected within 24 hours.

Reconnection of Service

Service will only be restored after full payment of all current and past-due balances, including late fees, service charges and re-connect fee.

EFFECTIVE September 1, 2024		
Payment due on 1 st , late after 20 th		
Meter Fee: \$20.00 due monthly		
Unit Fee: \$5.50 per unit used
